The judge examines dogs; dictate the critiques and awards titles for the dogs at the RKF and the FCI shows. The best four dogs in each class graduated at least with "very good" mark are placed.

In puppy class dogs graduated at least with "promising" mark are placed.

The judge is to choose the best couple, the best kennel or the best progeny class and direct them to the main ring for participating in the similar competitions in all breeds of the show.

If there is only one couple, kennel or progeny class in a breed, the judge decides whether to direct the dogs to the main ring for participation in similar competitions or not.

Any judge’s decision with regard to the evaluation of dogs, placement, as well as the awarding of titles and certificates is final one and is not disputed.

Only trimming, clipping combing and brushing are allowed. It is not permitted to leave the dog tied on the trimming table for the time exceeds the time necessary for the coat preparation.

The participants who are late for the ring are debarred from judging. The latecomer participant has a right to receive a critique and assessment for his\her dog without a title and a place awarding. It can be made after the complete assessment of all dogs in the breed and the Best of Breed dog announcement.

If the exhibitor with the dog leaves the ring during the judging without the judge's permission it may lead to disqualification.

The judge who has been invited to officiate at the CACIB show (Russian or foreign dog shows) cannot judge over 90-100 dogs per day. Every dog must be given a critique.

A reserve judge is assigned for every breed. In the case of the main judge's absence his duty is to take the place of the absent judge and carry out the examination. However, when the reserve judge doesn't show up or is late for his appointment, the organizing committee reserves the right to appoint a judge at its discretion.

The RKF Show commission can disqualify the owner and his/her dog from all the RKF and FCI shows with the annulling of the marks and titles for the period from 1 to 3 years.
