

## Russian Kynological Federation

### Program

#### Scientific and practical conference with international participation «Selection and Expertise in Cynology: actual problems of breeder – judge communication»

November, 5, 2019

Place:

Russia, Moscow, Izmailovskoye av., 71, 3B  
Hotel Izmailovo – Vega (Partizanskaya metro)  
Hall “Surikov-Vasnetsov”

#### Organizing committee:

*Chairman:* **Golubev Vladimir** – RKF President

*Moderator:* **Domogatskaya Ekaterina** – chairperson of the RKF Show commission, head of the RKF International and Show dept., RHDF President, National Dachshund club Vice-president

*Members of organizing committee:*

**KNYAZEV Sergey** – Ph.D., Professor of Novosibirsk Agricultural University, member of the Russian Academy of Natural Sciences, New York AS, International Society of Animal Genetics, the Vavilov Society of Genetics and Breeders, member of the German Doberman Union; he is included in the list of “2000 outstanding scientists of the 20<sup>th</sup> century” compiled by the Cambridge Biographical Society, author of more than 500 works on biology, genetics, animal breeding and cynology, RKF/FCI judge

**KHOMASURIDZE Revaz** – chairman of the RKF Standard commission, head of the RKF pedigree dept., RKF/FCI all breed judge

**KUPLYAUSKAS Eugene** – Ph.D., RKF/FCI/CRC/RC all breed judge, member of the RKF Judges commission

**POLIVANOV Mstislav** – Ph.D., RKF/FCI all breed judge, the first President of RFSS and RSVNO, professor, KNITU dean, RF higher education member of honour

**TSIGELNITSKY Eugene** – cynologist, lecturer, author of books, publications, methodical works and training programs in the field of cynology.

*Secretary:* **Rusakova Yana**

*E-mail:* [conference@rkf.org.ru](mailto:conference@rkf.org.ru)

#### MAIN TOPICS OF THE CONFERENCE:

- Dog breeding and selective work.
- Cynological education in the RKF system.
- Problems of judging.

#### PROGRAM:

**9:00–10:00** **GOLUBEV Vladimir**, RKF President, Moscow. **Welcome, opening of the conference, dialogue with breeders**

**10:00–10:15** **KUPLYAUSKAS Eugene**, Ph.D., RKF/FCI/CRC/RC all breed judge, member of the RKF Judges' commission (Moscow). **A judge and a breeder: feedback principles**

10:15–10:35 **KNYAZEV Sergey** – Ph.D., Professor of Novosibirsk Agricultural University, member of the Russian Academy of Natural Sciences, New York AS, International Society of Animal Genetics, The Vavilov Society of Genetics and Breeders, member of the German Doberman Union; he is included in the list of “2000 outstanding scientists of the 20<sup>th</sup> century” compiled by the Cambridge Biographical Society, author of more than 500 works on biology, genetics, animal breeding and cynology, RKF/FCI judge (Novosibirsk). **To the scientific validity of the dog breeding regulation**

10:35–10:55 **ERUSALIMSKY Eugene**, Ph.D., the first RKF President, the first President of the RFLS, the first Chairman of the RKF Judges commission, judge of National category, RKF/FCI/AKC/CKC/ANKC all breed judge (52 years of judging experience), President of the NBC “Mittel Schnauzer”, member of honour of Pinscher-Schnauzer Klub, author of the monograph “The Exterior of the Dog and Its Assessment” (Russian and English versions), of a number of other books and numerous articles on cynology published in home and foreign editions, owner of gold badges of RKF, NCO of Poland, FCI, PSK (Moscow). **The role of “The main harmonic dog mesh” in judging the harmony of dogs’ confirmation and in breeding process accelerating**

10:55–11:25 **CHRPOVA Veronika**, Ph.D., ČMKU/FCI judge, veterinarian doctor, member of FCI Scientific commission (Czech Republic). **Welfare is not only word, or Reproduction in steps** (with consecutive interpretation from English)

11:25–11:45 Coffee-break

11:45–12:05 **ERMAKOV Alexei**, Dr. B.D., Professor of LonGTU, Chairman of Biology and General Pathology Dept., Veterinarian, RKF/FCI Judge (Rostov-on-Don). **How to ensure the progress of the breed?**

2:05–12:45 **CALCINATI Cesare**, Ph.D., ENCI/FCI judge, Dachshunds breeder, chairman of the WUT Standard commission (Italy). **«Primum non nocere...»: how not to kill the breed with careless judgements** (with consecutive interpretation from English)

12:45–13:05 **POLIVANOV Mstislav**, Ph.D., RKF/FCI all breed judge, the first President of RFSS and HSVNO, professor, KNITU dean, RF higher education member of honour (Kazan). **National Breed Club – pro and contra**

13:05–13:45 **MARTON Attila**, international journalist, FCI PR consultant, vice-president of the World Dog Press Association (WDPA), former general manager of Hungarian NCO (Magyar Ebtenyésztők Országos Egyesületeinek Szövetsége), organizer of World Dog Show 2013, World IPO Championship 2012 (Hungary). **Show titles and breed management** (with consecutive interpretation from English)

13:45–14:05 **GRIN’ Olga**, Ph.D., RKF/FCI judge (Kazan). **Standard evolution and modern approach to judging Rottweilers**

14:05–14:25 **NEVSKAYA Yana**, biologist, veterinarian (Saint-Petersburg). **Correlation between health and confirmation of the King Charles spaniel: what to pay attention to while visual analysis**

14:25–15:00 Lunch

15:00–15:20 **ERUSALIMSKAYA Elena**, veterinarian, RKF/FCI all breed judge (Moscow). **Orthopedic problems of dogs when examining their confirmation**

15:20–15:40 **SEREDA Ilya**, Ph.D., chairman of surgical dept. in veterinarian clinic “Sputnik” (Moscow). **Early diagnosis and precautions to muscular-skeletal pathologies**

15:40–16:20 **DOMINIAK Anna**, veterinarian doctor, ZKWP/FCI judge (Poland). **Genetic tests in dog breeding – how much do we need them?** (with consecutive interpretation from English)

16:20–16:40 **MARKOV Anton**, geneticist, Master of Biology, general director of ZOOGENE Center for Veterinary Genetics (Moscow). **Genetic tests for dogs: 15 years of practice in Russia. The importance in breeding**

16:40–16:50 **Belyakin Stepan**, Ph.D., deputy scientific director, head of the Genetic Processes Regulation dept. of the Molecular and Cell Biology Institute SO RAS, science director of “VetGenomica” (Novosibirsk). **The role of genetic tests in responsible breeding**

16:50–17:10 **SOTSKAYA Maria**, Ph.D., Associate Professor of MSPPU, author of the books “Genetics and Hereditary Diseases of Dogs and Cats”, “Dog Breeding”, “Genetics of Color and Coat of Dogs” and others. (Moscow). **Urgent judging problems, related to the correct definition of dog colour**

17:10–17:25 Coffee-break

17:25–17:45 **GLADKIKH Marianna**, Ph.D., Associated professor of Animals Feeding and Breeding dept. of RSACA named after K.A. Timiryazev (Moscow). **Using inbreeding in dog breeding**

17:45–18:05 **TIMOFEEVA Olga**, Associated professor of Animal Technology dept. of Smolensk SACA, RKF/FCI judge (Smolensk). **Assessment of the dogs' breeding value using selection index on the example of the German Shepherds Association of Germany (SV)**

18:05–18:15 **KOLOKOLTSEVA Ekaterina**, Ph.D., Kemerovo Agricultural Research Institute - a branch of the SFNA RAS (Kemerovo). **Linear dog evaluation system and the prospect of using neural networks of deep learning in selection and breeding**

18:15–18:25 **KURETOV Sergey**, RKF/FCI judge, veterinarian, biologist, professional consultant of the Research and Education Center “Cynology” of the Ryazan State Agro technological University (Moscow region). **Genetic and physiological aspects of dog behaviour**

18:25–18:55 **STANTON Paul**, SKK/FCI judge, awarded by the SKK for his outstanding contribution to Lhasa Apso breeding (Sweden). **«Breed specific instructions» in Sweden** (with consecutive interpretation from English)

18:55–19:20 **Tsigelnitskiy Eugene**, cynologist, lecturer, author of books, publications, methodical works and training programs in the field of cynology (Moscow). **Principles of training at the RKF Education Centre**
